Jasper Red

These days, when almost everything around us has been made by machine; the warmth and infinite variety of the human touch is especially welcome. Middle Earth Hand Glazed "Square" Mosaics are an old concept with a new look giving a new dimension to mosaic tile finishes. The unique and vivid colours of hand glazing 50x50 mm and 75x75 mm tiles, gives a new life and texture to this traditional mosaic style. From our hand-crafted tiles to our classic glazing techniques, everything we do is designed to make sure that each hand glazed tile bears traces of our touch. The tiles are tumbled to remove any sharp edges after being individually hand cut before being hand glazed.

For colours available refer to Middle Earth glaze colour list.
