Middle Earth handcrafted "Briquette" Mosaics offer an interesting dimension to mosaic tile finishes. The tiles are hand glazed 50 x 25 mm tiles which are then assembled in a running bond in mosaic sheets. The mosaic sheets are designed so that the sheets interlock, creating a seamless texture. The tiles are individually hand cut before being tumbled to remove any sharp edges. With hand glazing each mosaic tile is unique and combined offer designers and home-owners floors and walls which are truly different from mass produced tiles. For colours available refer to Middle Earth glaze colour list.
