When you choose ceramic tile, you make a decision you will live with for a long time. At Middle Earth, we see ceramic tiles as unique works of art. Our Design tiles are hand crafted and glazed, one at a time, making each tile distinctively unique giving subtlety and richness created by our special glazes. Middle Earth hand glazed tiles are timeless and with their special and individual style offer floors and walls which are truly different from mass produced tiles. The quality, character, charm and vitality of our tiles will create a special environment. So if you're an individual why settle for boring.

Gaudi Border Tiles

At Middle Earth we are inspired by the creative genius of Antoni Gaudí, Barcelona's most famous and brilliant modernist architect. Gaudi created a fantastic world of forms and colors often with not a single straight line, even the walls are often curved. While we can never replicate his brilliance our Gaudi border tiles are a small tribute to a man who created an equilibrium that usually only exists in nature, but never in architecture.
