

The Hidria basin collection is inspired by nature to create unique designs. With a highly innovative combination of colour, form and texture, the Hidria collection reflects the craftsman's skill that makes every piece a unique masterpiece.

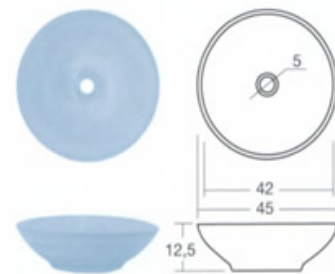

MURANO

A large circular artisan model glazed at high temperature to give form and colour to this work of art from a master potter

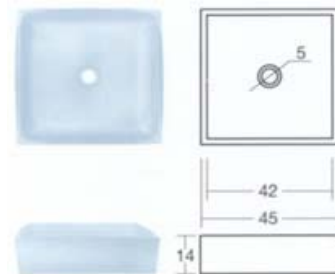

ELBA

Infinite space bathed in natural glazes, with modern lines to fit perfectly into any kind of ambience

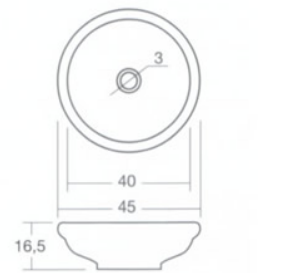

ANKARA

A large, innovative hand made design with minimalist forms made up of sober straight lines which together with the strength and character of the glazes applied in layers, make up a unique piece.

OLIMPO

A classic, wide diameter round basin whose range of colours give it a luxurious brightness.

Basins are available in the following colours

Mikonos

Andros

Iris

Xipre

Thalos
